2024 Contributions and Charges

In accordance with the Education Act, schools are required to communicate to parents all contributions and charges which are to occur for the following school year. The School Council and the Finance Committee have approved the following contributions and charges for the 2024 school year.

Voluntary Contributions

Contributions for the 2024 school year are:

Kindergarten – Year 6 Students \$60.00 per student

For families with more than one child
First child \$60 Second Child \$40 Third Child \$10

While contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Federal Governments.

You can assist the school by paying this voluntary contribution as the monies go towards the cost of materials, services and facilities used by our students.

Charges for extra cost optional components

The schedule of fees provided to families with the student personal use items lists indicate a breakdown of estimated charges for your child's participation in incursions, excursions, activities, etc. for 2024 (*in addition to the Voluntary Contribution*).

Students will only incur costs when they are involved in a particular activity. The amounts indicated represent the maximum charged for scheduled activities in 2024 and, as in the past, you will be asked to make payment for each activity as it approaches. If families are experiencing difficulty, payment plan options are available.

General School Information

ABSENCES

If your child(ren) is going to be absent from school, you are required to provide the school with a reason, on the day of absence, or as soon as possible. Wooroloo Primary School utilises 'MGMO Outreach' as a reminder system. If your child(ren) are marked absent prior to 10.00am an SMS will be sent to your contact mobile requesting you contact the school. We are also happy to receive notifications via the school email address Wooroloo.ps@education.wa.edu.au or our parent space on Connect.

The Department of Education identifies any student with less than 90% attendance as being a Student At Educational Risk. The school will contact families when student attendance falls below 90% to see if any support can be offered and to discuss strategies to improve attendance. Persistent absence or lateness without reasonable cause will be referred to the Education Regional Attendance Team.

Notification in writing is also required if a parent:

- wishes to take students on vacation during term time
- wishes a child to be excluded from sport, physical education or any other program
- wishes a child to leave the school grounds

The principal is responsible for the welfare of the children in the school from the time they reach school in the morning until they leave in the afternoon. Therefore, NO child can go home unattended before the designated closing time of the school unless the child has a written note from a parent and a Government Leave Pass from Administration. If parents arrive to take their child home early, they are asked to sign their child out of the school in the Sign-Out Book located in the school office.

ACCIDENTS / INJURY / ILLNESS

At Wooroloo Primary School student and staff safety is paramount and in the event of an accident or injury, students will be provided with timely support. Each accident / injury will be treated individually by staff and parents will be notified.

If your child is ill, we request that you keep them at home to stop the spread of germs. If students become unwell during the school day, they will be monitored in the Medical Room for a short period and then parents phoned to collect them if required.

Students are required to wear a school sun smart hat at all times when outdoors. If they do not have a hat, then they will be required to play in the protected undercover area. We encourage students to apply sunscreen before school.

ASSEMBLY

School Assemblies are held in the undercover area, throughout the year. The first, is run by the Student Leaders. Parents and community are encouraged to attend all assemblies. If your child is to receive an award you will be notified prior to the assembly day. Please check the term planner as assembly dates can change due to other school commitments.

BEHAVIOUR MANAGEMENT

Wooroloo Primary School has a whole school Behaviour Management Plan. It is used in all classes (including Specialists). The plan focuses on reinforcing the positive and seeing inappropriate behaviour as a learning opportunity. It is based on the whole school approach using Positive Behaviour Support (PBS) processes.

Appropriate behaviour is recognised by: Verbal/written praise, Stickers, Assembly awards, Class reward system, Principal recognition, Gotchas and Goldies.

BOOK CLUB

Book Club services provide good books at reasonable prices. Approximately eight offers are made per year. These are sent home with the students. Wooroloo Primary School hosts a book week full of story reading and story inspired activities.

Parent helpers/staff support/volunteer workers are in a position of trust and we ask that you complete a confidentiality form before volunteering.

FIRE SAFETY/ EVACUATION

Wooroloo Primary School is on the Bushfire Zone Register (BZR). As such we need to include appropriate emergency bushfire management procedures in our *Emergency and Critical Incident Management* Plans. Parent information leaflets are sent out during the Bushfire Season to ensure you are aware of our Bushfire Procedures. These are also available from the front office.

When given an advance warning by DFES that a Catastrophic Fire Danger Rating (FDR) has been forecast for a given day, the Deputy Director General, Schools may direct the pre-emptive closure of a school or schools. If we receive such a direction, we will be informed of the possible planned closure by telephone from our Regional Executive Director.

In the period between the declaration of the pre-emptive closure and the day of planned closure, DFES will monitor weather patterns to keep the Department informed of any change to the forecast for the declared day. The final decision to pre-emptively close the school will be confirmed by the Department through the Regional Executive Director to the principal on the day or the day before the declared closure.

HEALTH CARE PLANNING

At Wooroloo Primary School student care is important. If your child(ren) has specific medical or health care needs, please make an appointment to discuss their needs with the principal. It is critical that you inform the school if your child is on regular medication that may impact emergency responses.

If you require your child(ren) to have medication (including Asthma inhalers) at school, please inform the school and complete the relevant medical forms. ALL medication needs to be stored securely for the safety of all students. (Student Health Care information is available at the school office).

INTERNET USE / SOCIAL MEDIA

The Information Technology resources and Internet access at Wooroloo Primary School are a privilege, not a right. Students are expected to accept personal responsibility for using the resources and comply with the school's Internet and ICT Policy, which outlines the requirements for responsible use. Parents and students are required to sign ICT Agreement of Use forms annually.

LEGAL REQUIREMENTS / ACCESS RESTRICTIONS

Wooroloo Primary School acknowledges that families come in many different shapes and sizes. We understand that in some instance's families are impacted by court and/or access orders. If this applies to any of your children or may impact your ability to engage with the school, please make an appointment to speak directly to the principal. The staff at Wooroloo Primary School will ensure all children are safe and supported during the school day. It is imperative that your contact information is up to date, and you provide copies of any documentation to the school as soon as possible.

LIBRARY

Our library is a great asset to the school, providing a well organised collection of books, laminated pictures, audio books, and computer programs. These materials have been carefully selected to relate to the curriculum needs and leisure interests of the school community. Students can borrow books for one week and renew them if necessary. If a book is two weeks overdue the parents will be notified. Students are restricted to borrowing two books at a time. A library bag is required. Library books are expensive to replace. Please ensure that your child treats borrowed books with care.

LOST PROPERTY

Parents are advised to clearly mark all clothing and other school belongings. Labelled items will be returned to student's classrooms. Unlabelled, lost property will be left in a box in the front office and parents may check for lost items at a time convenient to them. At the end of each term unclaimed articles will be given to a charitable institution.

MOBILE PHONES

Mobile phones and electronic devices (including smart watches) can be brought to school only when discussed with the principal. If permission is granted, phones need to be handed to the front office and collected at the end of the day. These devices will not be accessed during the school day. Any student found with a phone or device during the day will have it removed and a parent will be contacted in regard to collection of the item.

CRUNCH & SIP

Crunch & Sip is a set time during the school day to eat vegetables and fruit and drink water in the classroom. Students bring vegetables or fruit to school each day for the Crunch & Sip break. Each child also has a bottle of water in the classroom to drink throughout the day to prevent dehydration.

NO HAT / PLAY IN THE SHADE

Students are required to wear a school sun smart hat at all times when outdoors. If they do not have a hat, then they will be required to play in undercover areas. We encourage students to apply sunscreen before coming to school.

NUT AWARE

Wooroloo Primary School is a 'Nut Aware School'. We are committed to providing a safe environment for all students, staff and visitors. The school aims to protect those students who suffer from severe nut allergies and could be in danger of life-threatening anaphylactic reaction. The school will endeavour to educate the school community of the risks associated with anaphylaxis and to implement practical, age-appropriate strategies to minimise exposure to known allergens. It is realised that it is not possible to eliminate all food with traces of allergenic foods such as milk products, egg and nuts.

PARENTS AND CITIZENS ASSOCIATION (P&C)

Wooroloo Primary School has a parent representative body, the Parents and Citizens (P&C) Association. Committee meetings are usually held once a term. Any parent or guardian can attend. The Wooroloo Primary School P&C is a great way to get involved with our school community.

PARENT INTERVIEWS

Parents are always welcome at the school whether through involvement in activities within the classroom or when wishing to find out about their children's progress. Parents are urged to contact the school and make an appointment with classroom teachers if you have any concerns. Please note it is usually not possible to simply request an interview immediately as this can interrupt teaching and learning programs.

PARKING

Student safety is always a school priority. We ask that all parents and visitors to the school remain vigilant and watch for students in and around the car park areas. Parking is provided near the basketball courts for all parents and visitors. Please do not use the staff car park or the verge out the front of the school as this area is utilised by students walking to and from school and is not a safe parking area.

PERSONAL ITEMS / NON-SCHOOL ITEMS

We request that toys, mobile phones, smart watches etc, remain at home. Precious and expensive items can easily be lost or broken. At times the student may wish to bring items into school for 'Show and Tell' or news telling – the item must be kept safely in the classroom and returned home that night.

PETS ON THE PREMISES

As Wooroloo Primary School respects the rights of all students we request that you refrain from bringing any pets on the school grounds. Some students have severe allergies and phobias relating to animals and we endeavour to ensure their safety at all times. We acknowledge that a new pet is an important moment and students may wish to share their joy, special arrangements can be made for 'Show and Tell'. Approval will need to be sought from the principal.

PUNCTUALITY

Students are requested to be at school by 8:50am. All classrooms will be open at 8.30am and staff will be available for supervision. Students are encouraged not to be onsite before 8.30am due to lack of available staff members to supervise. Any students arriving before 8.30am **must** sit on the veranda outside the Art Room.

All students who arrive after the siren are required to be 'signed in' through the front office and collect a late slip to hand to their class teacher.

REPORTING TO PARENTS

Wooroloo Primary School staff report to parents with formal Semester Reports provided in June and December. Staff are available after these reports come home to discuss your child(ren)'s progress. If you would like to discuss your child(ren)'s progress at any time throughout the year, please make an appointment with the classroom teacher. This ensures they have all the relevant information at hand. Reports are made available through Connect.

SCHOOL CHAPLAIN

YouthCARE Chaplains are employed on a full or part-time basis to work within the school as a caring adult and are part of a professional student services team. At Wooroloo Primary School we have a Chaplain, employed one and a half days a week. Her role is to help and provide pastoral support to students, offer support to teachers, parents, and the whole community. The Chaplain aims to empower people to grow, celebrating their successes and help students to develop resilience to work through challenges. The Chaplain can be a listening ear in times of need and will keep confidentiality as required in pastoral care situations. Feel free to make an appointment to chat with our Chaplain if you feel their services may support your child(ren).

SCHOOL COUNCIL

Public schools have a School Council that is made up of parent and staff representatives, including the principal.

The purpose of the School Council is to:

- Provide good governance processes across the school
- Establish and review the school's policies and objectives
- Plan financial arrangements to fund the policies and objectives
- Evaluate the school performance

The School Council members are elected by the staff and community. Meetings are held each term or more often as required.

SCHOOL PSYCHOLOGY SERVICE

Wooroloo Primary School is supported by the School Psychology Service from North Metro Region Education Office. Students are referred to the service by the principal, after discussion with classroom staff and parents. Referrals may be for learning, social or behavioural support. As this service is limited, students are seen on a priority basis.

SMOKE AND VAPE FREE ZONE

All government buildings and grounds are smoke and vape free zones, in accordance with the Department of Health regulations. We request that adults respect this and not smoke or vape on school grounds or at any of the school events.

STUDENT INFORMATION

It is critical that the school has relevant, up to date information about each student. This includes emergency contact information (phone numbers and addresses), legal/custody information, medical and health information. If there are any changes to student information, please inform the front office staff as soon as possible. All student information is confidential.

STUDENTS AT EDUCATIONAL RISK

Wooroloo Primary School has a Whole School Students At Educational Risk (SAER) Policy. The main aim of the policy is to create a teaching and learning environment that is consistent across the school, identifies individual difference and provides interventions to support student improvement. SAER is a broad term used to describe any student that has been, is currently, or may be influenced by risk factors identified to have a possible impact on their level of engagement at school. As all students react differently to situations, exposure to a risk factor does not imply 'At Risk'. Students who are identified as 'At Risk' are monitored and supported on an individual level. Educational risk can be in the academic areas, behavioural support, attendance, severe medical, social and emotional domains. Risk factors may be identified by staff, parents, students themselves or external agencies

VISITORS ON THE PREMISES

All visitors to Wooroloo Primary School, including parents who are staying for a period longer than drop off or collection, need to sign in at the school office. This ensures that we are aware of all persons on site, in the event of an emergency. All trades people or support service staff are also required to sign in and show identification for safety purposes.
